Dear Fredonia Blue Devil Supporter,

This spring and summer brought a flurry of activity as we worked to enhance the success of Fredonia Athletics. From the new Blue Devil Performance Center to the Student-Athlete Leadership Seminar, from the new scoreboards, lights and paint in Dods Gymnasium to the new locker rooms so that no teams have to share, it has been a busy season of work to move Blue Devil Athletics forward.

Today, I write to ask for your help to continue our momentum.

Your gift is important and appreciated. The collective impact of all gifts — no matter the size — assists in driving Blue Devil success. Blue Devil scholar-athletes not only excel on the field but in the classroom, as well. Their success is supported by the hard work, dedication and leadership from all stakeholders, including the generosity of members of the Blue Devil Booster Club. When you support Fredonia Athletics, you impact more than our athletic teams; you impact the student-athlete experience, campus life, and the community as a whole.

Thank you for your willingness to make a difference in the experience of our gifted student-athletes with your gift to the Blue Devil Booster Club today.

Sincerely,
Jerry Fisk, Director of Athletics

P.S. Please stop by campus to say “hello,” see our facilities, or meet our remarkable group of student-athletes who serve as a source of pride for the University with their character, athletic successes, and academic accomplishments.
